Art Unit: 1745

Claims 1-12, 14-22, 26 and 27 are allowed. Claims 1-10 and 17-22 are allowed for reasons of record. Claims 11, 12 and 14-16 incorporate the features of claim 13, previously indicated as containing allowable subject matter. Claims 26 and 27, as pointed out by applicants, now distinguish from Chludzinski *et al.* (US 4,473,622). Because the newly added feature of these claims is shown in figure 11 of the parent application, Serial No. 356,333, they are considered to be properly supported by the disclosure.

The disclosure is objected to because of the following informalities: The numeral 164, in amended paragraph 0037, does not appear in figure 11 in the present set of drawings. It is noted that figure 11 of the parent application, includes this numeral. Does figure 11 need to be changed? Appropriate correction is required.

This application is in condition for allowance except for the following formal matters:

The above-noted discrepancy between paragraph 0037 of the specification and figure 11.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
